**Sun Child Sponsorship (SCS) Program:** A child sponsorship program. DCI's flagship program is the Sun Child Sponsorship, whose goal is to help underprivileged children lift themselves out of poverty by providing them with basic life necessities, education, and healthcare. In addition, DCI promotes sustainable community development and income-generating activities for the children's families. The program also seeks to educate American children about the challenges facing underprivileged children worldwide, and to foster in them a desire to take a leadership role in working for humanitarian causes.

The SCS program operates through contributions from American sponsors of \$144 per year (just \$12 a month).
